

## Subscription to Brexit Position Papers

**I wish to subscribe to TfC's Brexit Position Papers for a fee of £120 + VAT = £144 and receive:**

- Details from all Government publications regarding procurement related to services contracts in the UK, post Brexit;
- Details of new legislation, statutory and regulatory documents;
- Information on the implications for tendering, procurement and grant aid including ESF and ERDF;
- Information on changes to purchasing, tendering and bidding including implications for flexibility;
- Guidance on new requirements including documents, ISO, data protection, privacy, the ESPD, audit and pricing, etc.;
- Information on EU/UK professional qualifications relating to health and social care;
- Notes and guidance on implications for Boards, Senior Management and Business Development Departments;
- Guidance on the transfer of compliance and judgements from the ECJ to UK courts.

**I understand that the copyright of all information provided belongs to Project Development and Support Ltd. (the Company) and is for my personal use only. The Position Papers may not be transmitted to or shared with any other provider or organisation, either on paper or electronically, without the written permission of the Company.**
